

Ohio Revised Code

Section 1567.22 Use of black powder.

Effective: October 29, 1995

Legislation: Senate Bill 162 - 121st General Assembly

In all gaseous mines, as defined in section 1563.02 of the Revised Code, no black powder shall be used for blasting coal and all shots shall be fired by a shot firer.

No owner, lessee, agent, or operator of a mine shall violate this section.
